Inlay Tray	SBS	PAP 21	300 g/m ²
Shrink Film	POF	PP/PE	15 µm

- No metal components
- No composite materials

4. PPWR Compliance Statement

SCALA hereby declares that the packaging described above has been assessed against the applicable requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR).

Within the Scala brands, our packaging has been reviewed for compliance with the applicable PPWR requirements. We work closely with our manufacturing partners to ensure compliance with the relevant legislation and continuously monitor future regulatory developments.

Supporting technical documentation is maintained by SCALA and will be updated as additional PPWR implementing acts become applicable.

5. Supporting Technical Documentation

The technical documentation maintained by SCALA includes, where applicable:

- Material specifications
- Material composition declarations
- Heavy metal compliance declarations
- Technical product specifications
- Packaging weight information
- Additional supporting documentation required under PPWR
- This documentation is available upon request to the competent authorities.

6. Declaration

SCALA declares that the packaging identified in this document complies with the PPWR requirements applicable at the time the packaging is placed on the European Union market.

This declaration remains valid unless:

- the packaging design changes;
- the materials are changed;
- applicable legislation changes.
