

XOCOON - EU DECLARATION OF CONFORMITY

Declaration No.: SCALA-EU-DOC-2026-01

1. Manufacturer

SCALA 2.0 B.V.

Bijsterhuizen 3151
6604 LV Wijchen
The Netherlands

Tel.: +31 (0)24 202 2390

Email: sales@scala-nl.com

www.scala-nl.com

2. Products covered by this Declaration

This EU Declaration of Conformity applies to the products identified in **Annex I – Product List** attached to this declaration.

Each product is identified by its:

- SCALA item number / model number
- Product name
- GTIN / EAN
- Brand
- Product category

The product categories used in Annex I are:

Category A – Electrical products without radio functionality

Products containing electrical/electronic components, including products with an electric motor and/or rechargeable battery, without wireless communication functionality.

Category B – Radio-controlled products

Products incorporating wireless radio functionality, including products supplied with or operated by a wireless remote control.

Category C – Connected products

Products incorporating Bluetooth, Wi-Fi, app-control or other wireless data communication functionality.

3. Responsibility

This declaration of conformity is issued under the sole responsibility of the manufacturer.

The products identified in Annex I have been assessed on the basis of the applicable technical documentation, supplier declarations, conformity documentation and/or test reports available for the respective products.

4. Applicable Union legislation

The products covered by this declaration are intended to comply with the following Union harmonisation legislation **as applicable to the individual product category specified in Annex I.**

Category A – Electrical products without radio functionality

- **Directive 2014/30/EU** – Electromagnetic Compatibility (EMC)
- **Directive 2011/65/EU**, including applicable amendments – Restriction of Hazardous Substances (RoHS)

Where applicable to products incorporating batteries:

- **Regulation (EU) 2023/1542** concerning batteries and waste batteries

Category B – Radio-controlled products

- **Directive 2014/53/EU** – Radio Equipment Directive (RED)
- **Directive 2011/65/EU**, including applicable amendments – Restriction of Hazardous Substances (RoHS)

Where applicable to products incorporating batteries:

- **Regulation (EU) 2023/1542** concerning batteries and waste batteries

Category C – Connected products

- **Directive 2014/53/EU** – Radio Equipment Directive (RED)
- **Directive 2011/65/EU**, including applicable amendments – Restriction of Hazardous Substances (RoHS)

Where applicable:

- applicable requirements concerning privacy, personal data protection and cybersecurity under the Radio Equipment Directive
- **Regulation (EU) 2023/1542** concerning batteries and waste batteries

5. Standards and technical specifications

Conformity has been assessed, where applicable, with reference to relevant European harmonised standards and/or other technical specifications, including standards relating to:

Electrical safety

Relevant parts of the **EN 60335 / EN IEC 60335 series**, where applicable to the individual product and supported by the corresponding technical documentation.

Electromagnetic compatibility

Relevant applicable standards from, amongst others:

- **EN 55014 series**
- **EN IEC 61000 series**

where applicable and supported by the technical documentation for the respective product.

Radio equipment

For products incorporating radio functionality, the relevant ETSI standards applicable to the radio technology and frequency used, including where applicable standards from:

- **ETSI EN 300 series**
- **ETSI EN 301 489 series**

as specified in the technical documentation and test reports for the respective product.

RoHS

- **EN IEC 63000:2018**

Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.

Batteries

For products containing lithium batteries, relevant battery safety and transport documentation may include:

- **UN Manual of Tests and Criteria, Part III, subsection 38.3 (UN 38.3)**

where applicable.

6. Technical documentation

Supporting technical documentation is maintained by or on behalf of SCALA 2.0 B.V. and may include, depending on the product:

- supplier Declaration of Conformity
- test reports
- EMC reports
- RED reports
- electrical safety reports
- RoHS documentation
- battery specifications
- UN 38.3 documentation
- material specifications
- risk assessments
- product specifications and drawings

The applicable documentation may differ between individual product models.

7. Product identification

The complete list of products covered by this declaration is contained in:

Annex I – Product List

The Annex forms an integral part of this EU Declaration of Conformity.
